

DLG LIGHTING^{CO}

THE GASPAR

Gaspar Orena, a prominent Santa Barbara citizen in the 1800s, served as inspiration for our Gaspar Lantern. With its fortified cage, large rivets and heavy molding, the Gaspar lends a solid punctuation to any setting. Hand forged in heavy gauge iron.

PRODUCT DETAIL

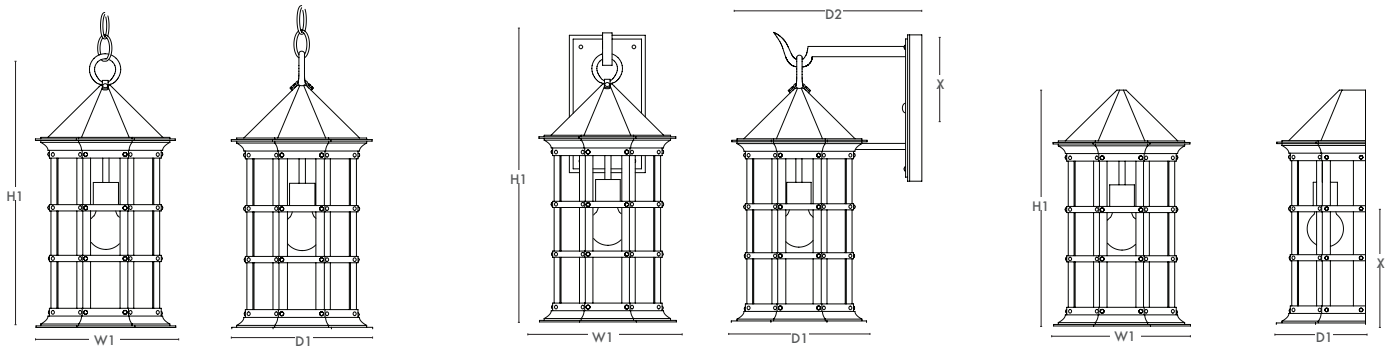

ETL Listed

Max Wattage: 60

High Efficacy Rated Optional

All lanterns ship within 4-6 weeks unless in stock and in some cases an expedited option is available with an additional charge. Please contact sales support or check online for lead times.
