

DLG LIGHTING^{CO}

THE SANTA BARBARA LIGHTING COMPANY

THE OREÑA

This lantern was designed for use at the historic Oreña Adobe, originally built as a town residence by one of Santa Barbara's oldest families. The top cresting pays homage to their Spanish ancestors and exudes the character and flair fit for a prestigious family such as theirs. The sharp geometries of the design play well against the organic smooth walls of the adobe and cast intricate shadows when lit. Hand forged in heavy gauge iron.

PRODUCT DETAIL

ETL Listed

Max Wattage: 60

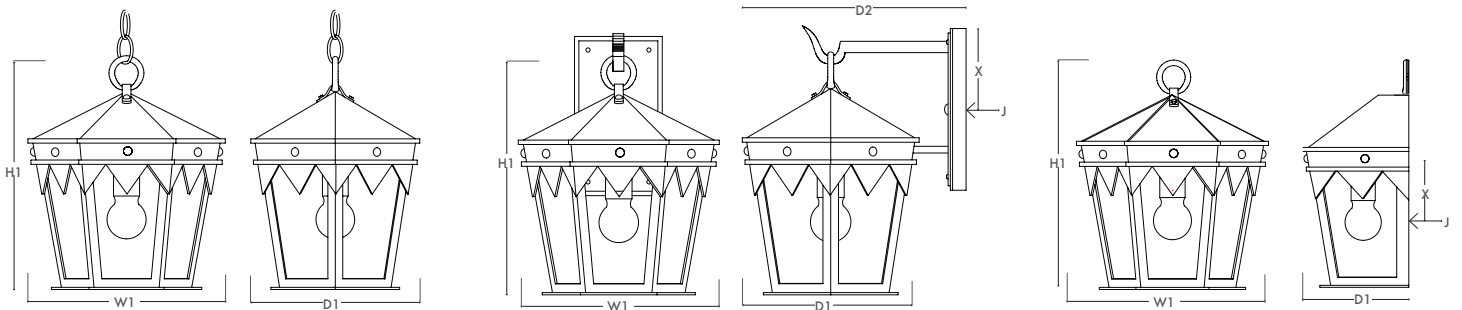

AVAILABLE ENERGY & DESIGN CODE COMPLIANCE OPTIONS
High Efficacy Rated - GU 24 Socket to comply with Title 24 High Efficacy Requirements.

Dark Sky Compliant - LED down light source located in Fixture Hood recommended with etched glass.
